

PLASTIC RIVETS

- For fixture on the circuit board, or electronic apparatus
- Light weight and excellent insulation
- Material: Polyamide 6,6, UL94V-2
- Color: Natural

Part No.: R-1

CORD GRIPS

- Application in lighting and electric equipment
- Protect and grip power cable in base hole
- Material: Polyamide 66+GF, UL94V-2
- Color: Black

Part No: 5100/7

Unit: mm (inch)

CORD GRIPS

- Application in lighting
- Protect and grip power cable in pipe end
- Material: Polyamide 6,6+GF, UL94V-2
- Color: White, black

Part No: FP-7A
