Taiwan Patent # I723786
US. China. EU. Germany. Patent pending

Automatic Cut-off Cable Tie Installation Tool

- Quickly and safely cuts nylon cable ties and avoids the risk of injury.
- An tensioning adjustment knob makes cutting more precise.
- Hardened steel body design to assure dependable service.
- Tension handles with cushion grips and stops are easier to grasp.
- Customized colors are available.
- Main Material: Metal
- Net Weight: 367g (0.808 lbs)

Part No.	Applicable Cable Ties		Dimensions mm (inch)	Main Material	Color
	Width mm (inch)	Thickness mm (inch)			
GIT-709	3.6~10.6 (0.14~0.42)	1.2~2.3 (0.05~0.09)	210x115x22 (8.27x4.53x0.87)	Metal	Specified color is available

OPERATING INSTRUCTIONS

1. Wrap the cable tie on the object and tighten it up.
2. Adjust tension settings by rotating the tension control knob clockwise and vice versa.
3. Insert exposed cable tie strap into the slot by the cutter blade and then into the slot by the gripper.
4. Squeeze tension handles together until the cable tie strap is cut off.
5. Finish.
